

**KIDS LEARN EVERYTHING FROM YOU.
SET A GOOD EXAMPLE.**

Kids love imitating their parents. They copy the good and the bad. It's part of their learning process. While they may do as you say, they're also likely to eventually do as you do.

Don't take for granted what you do whilst driving. You know texting and driving and drinking and driving is wrong, yet you still do it. The likelihood of your child becoming an adult who texts whilst driving or drives drunk is quite high.

Exercise responsible behaviour on our roads, for your sake and theirs.

SANRAL. Save our kids, our future generation.
